FIREARM TRAINING COURSES

HOME FIREARM SAFETY \$65.00

If you have Firearms in the home, this course is a must. Learn about how different firearms function and how to handle them safely. Learn about safe storage practices and different storage options. This is a NON-Shooting course.

BASIC PISTOL \$85.00 plus Ammo

This course emphasizes the attitude, knowledge, and skills necessary to safely handle a pistol/revolver and the basic shooting fundamentals. There will be a live fire exercise at the range.

PERSONAL PROTECTION IN THE HOME \$125.00 plus Ammo

The course is for experienced handgun shooters. This is the NRA's self defense course. The Basic Pistol course is required prior to taking this course. Textbook and certificate included. There will be a live fire exercise at the range.

NRA Classes are also available.
